Most of the "Do Not Bring" items are to minimize distractions for everyone on the trip. We want all to have the best opportunity for God to work in & through them this week!

When In doubt - ask your Youth Leader!

Cell Phone Note:

In today's world we're all "connected" to our world through our phone & other technologies. We **do not** allow phones on SMC because they are a distraction. You are going on a mission trip, talking/texting on the phone distracts you and others from what is going on right in front of you and what God may be saying to you.

Parents/Families - please know that you can reach your youth in the event of an emergency by calling your Youth Leader. They will be able to relay a message to your youth who can then return a call. Please use this only for emergencies and help us make sure all phones remain at home. Any phone found on the trip will be confiscated and returned to the parent/guardian at the conclusion of SMC.
